Opt-out Form for Disclosure of Personal Information to Military Recruiters

Attention Juniors and Seniors: You or your parents/guardians must return this form to the school office in order to remove your information from the list that Sherman County School is legally required to submit to military organizations.

IMPORTANT NOTICE TO SHERMAN COUNTY SCHOOL STUDENTS AND THEIR PARENTS/GUARDIANS ABOUT ACCESS TO STUDENT INFORMATION

Federal Public Law 107-110, section 9528 of the ESEA, "No Child Left Behind Act" requires school districts to release student names, addresses, and phone numbers to military recruiters upon their request. Students may then be called at home by recruiters regarding joining the military.

The law also requires the school district to notify you of your right to Opt-Out from this release by requesting that the district not release your information to military recruiters. The completion and return of this form to the school office will serve as your request to withhold your private information for this school year.

If you do not return this signed form, your personal information will be released to the military at their request.
