Fight for the Gold!

By Maddie Belshe and Jesse Whitley

Homecoming is here and it's time to bring out your best in competing for class points, and the easiest way to do this is the dress-up days!

Today is Monday, October 17th, everyone's favorite... pajama and neon day! Let's hope you dressed up because everyone has pajamas, but if not, hopefully you whipped out your best neon clothes to show your support for your class. If you forgot to dress up today, you can still earn class points by dressing up the rest of the week.

Tuesday, October 18th: Super hero/ Grandma and Grandpa's closet day. Help your class to victory with your super hero and ol' folk powers to get those points!

Wednesday, October 19th: The whole school will be participating in the COLOR war! The five colors of the Olympic rings were used for each class. Let's see if we can get everyone to participate in wearing their class color. Seniors—Black; Juniors—Blue; Sophomores—Red; Freshmen—Yellow; and Junior High—Green.

Thursday, October 20th: Dress up to support your favorite Olympic Sport or wear a toga. Travel back in time to Ancient Greece to find a toga to wear to school. This day is a fun day to express your creativity and to have fun!

Friday, October 21st: The traditional ORANGE and BLACK day! Dress your best in

head to toe orange and black to support your school! Show your true colors!

Events throughout the week:

Throughout the week there will be numerous activities and games for all classes to compete for points. Although points are

awarded throughout the year, Homecoming is the time to earn the biggest points.

Each class has received a section of the hallways (Seniors: student lounge, Juniors: school lobby, Sophomores: attendance window to room 12 door, Freshmen: room 12 door to room 4 door, Junior High: rest of the hallway) Hall decorating will take place starting after school on Monday. NOTE: Classes will be disqualified if caught decorating without supervision by a class advisor! Each class has their own supply box—see the class president.

Rules for hall decorating-

1. Nobody will be allowed to ask Mrs. Pehlke for supplies.
2. Use masking tape! Do NOT use any items that will leave holes in the walls/sealing.
3. NO GLITTER!
4. Do not cover vents, air duct,

and trophy cases.

5. Hall decorating must only take place after school until 7:30 p.m. or before school.
6. Decorations must be completed by Thursday morning at 8:10 a.m.
7. Do NOT mess with other class decoration!
8. -Class advisors and/or presidents will have the remaining rules for hall decorating.

Each day at 12:15p.m., class games and costume judging will take place. The grand prize at the end of the week is a \$25 gift card from Fred Meyers! Gift cards will be awarded to one girl and one boy. Class points will be awarded!

Thursday, October 20th: 6:30 p.m. is the traditional noise parade and bonfire will be taking place at the high school. Show up ready to yell and have fun!

Friday, October 21st: Games and activities for classes, TBA! At 2:00 p.m. The Junior High football and volleyball will take on South Wasco County. 4:30 p.m. the Senior High volleyball team will play SWC, and at 7:00 p.m. the Senior High football team will take on SWC. During half time at the Senior High football game, the homecoming Queen will be crowned. The Homecoming dance will follow the football game.

Homecoming brings an overwhelming feeling of school pride, with every athlete wanting to show the alumni at their respective sporting event that they are proudly carrying on the Sherman County sports tradition. Whether it is a senior football player seeking the approval of his former all-state cousin or the volleyball player who is looking to show her older sister that she is keeping the Sherman name proud. All our athletes are motivated and Friday should be a fun night of sports to watch. The reenergized football team is rolling and our volleyball team hoping to end the regular season on a high note. The drive and pride is running strong and the whole Sherman sports scene will surely be an epic event, hopefully full of great memories, and exciting Sherman county victories.

Vs.

South Wasco County is this year's homecoming opponents, the Redsides will be the unfortunate victims of this year's emotionally fueled sporting events, with the football team looking to tack another easy victory and the volleyball team hoping to topple the 'Sides once again. It will be a great night with the Volleyball contest set to start at 4:30 p.m., and the football game starting at 7:00 p.m. Friday night.

Homecoming Husky Heisman

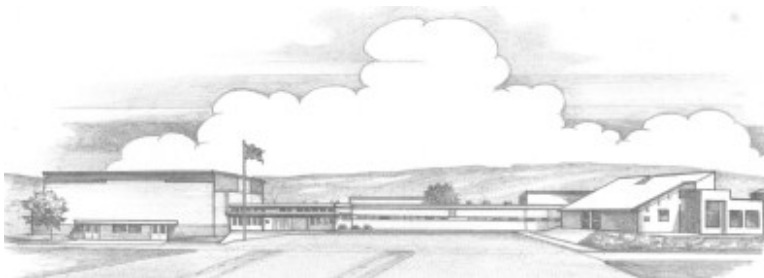

Homecoming is a great time for any person to truly show that he or she is a deserving recipient of the prestigious Husky Heisman. This special edition of the Heisman goes to a student and coach duo who have been truly pushing each other to better places on the football field and everywhere else around Sherman County. Scot Stroud and Todd Swan have developed a truly special bond, whether they're talking football or giving advice. These two men have truly shown how a bond between a coach and a player can be really special, and the outcome can be positive for both. Hopefully these two will continue to develop their relationship and create more great memories.

Press Release for Community Forum

Sherman County, Ore – The Sherman County School Board is hosting a Community Forum on November 1st, 2011, from 5:30 to 9:00 p.m. at the high School

The purpose of the forum is to provide an opportunity for interested and concerned citizens – parents, educators, local businesses, students, seniors, and others – to offer ideas, opinions and suggestions regarding how we can best educate our community's youth so they may thrive in the 21 st Century. "Today our students are expected to compete on an international scale at a time when the dollars available to education are declining," said School Board Chair Bill Martin.

"We need to hear from our community what's most important."

Forum attendees will participate in an interactive survey designed to identify the community's collective vision for public education and will gather in small groups for further discussion of survey topics.

"This forum is one part of our process to revitalize our strategic plan," said Superintendent Ivan Ritchie. "We want our community to tell us what a

student should know and be able to do when they graduate from high school. What we learn at this forum will guide us as we make important decisions about the future of public education in our community."

For more information on the forum please contact Ivan Ritchie, **541-333-2250**

Fascinating Foliage Not Your Typical Flowers

By Brian Simantel

This edition's gardening section is not the same as ones in the past. It being homecoming, I have decided to do a beautiful rose with a beautiful name, "Angel Face." The Angel Face stands between 36 and 48 inches tall and has a spread (circumference) of 24 to 48 inches. It can survive in full to partial sun and loves summer time. It blooms a wonderful shade of pink and has dark green leaves. Some of

Angel Face's special features are its fragrance, its showy bloom, its edibility and its ability to attract butterflies. This would also be the perfect flower to present to your special someone this homecoming season.

Note to reader: I am open to suggestions for plant choices in the future editions, so drop a line to the "Dear Husky" mailbox.

4H MEANS BUSINESS\$

<http://rh4h.com/>

Have you ever thought about having your own business? A real business with real money? Do you want to make your own money? Would you like to learn more about being an entrepreneur? Introducing the new club, "4H MEANS BUSINESS\$" for youth in grades 4th-12th.

A kick-off meeting was held Monday, October 10th at SJSHS in the home ec room (with nachos!) to introduce everyone to this club. Youthful business owners who attended were 7th graders Emily Hill, Stormy Rhodes, Britney Orendorff, and Ryan Asher and 8th graders Hollee Kaseberg and Ken Earl. Junior Riley Brown is serving as Teen Leader, as he grew up in a family business and recently attended a summer camp at Oregon State University called "Young Entrepreneurs Business Week".

In the "4H MEANS BUSINESS\$" club, you can do any of the following:

1. Start your own business selling a product – some-

thing you made or bought to resell (no homemade food due to health regulations unless you used a certified commercial kitchen)

2. Start your own business providing a service
3. Work at an existing business – including selling Sherman Booster merchandise at home games and events and working at Little League concession stands
4. Learn job skills and listen to guest speakers from the business world

"4H MEANS BUSINESS\$" is a brand new 4H program, the first in Oregon, the first on the west coast. It is currently only being done in two counties in Kentucky. The kids in those Kentucky groups get a lot of publicity for running their own businesses; they have been on local TV numerous times. Just check out their You Tube videos! We want to get the same publicity for our Sherman County 4H MEANS BUSINESS\$

group.

At our kick-off meeting, after introductions, we all learned the fine art of shaking hands. Did you know shaking hands is more than just a "hi", it is saying "this is who I am" and makes a valuable first impression on the people you meet. Did you know that many adults have no clue on how to properly shake hands? In the business world, shaking hands is crucial for greeting others, to seal an agreement, and to say goodbye in a professional manner.

The next meeting for "4H MEANS BUSINESS\$" will be Monday, October 24 at 6pm in home ec room. Start now and have a business by December! You can sell products by having a table at the holiday bazaar at SJSHS on Saturday, December 3.

Dear Husky: Homecoming Style

Dear Husky,

A boy asked me to go to Homecoming with him and I don't know how to say "no" without hurting his feelings?

-Troubled

Dear Troubled,

If you really don't want to go with him just be honest, but also be gentle when telling him so you don't hurt his feelings. That's the main thing. There will be more dances coming up in the near future, so tell him there's no need to dwell on this one. The next dance may just be better than the last!

Sincerely,

The Husky

Dear Husky,

Having trouble asking a girl out; help me? What do I do?

-Anonymous

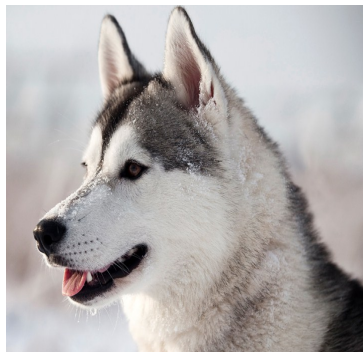

Dear Anonymous,

Asking a girl out is one of the trickiest things to do, but also one of the scariest. If you know her really well, and know what she likes then surprise her with something. The oldest tricks in the book are giving a girl flowers, chocolate, or writing a sweet personal poem; these are all ideas! But, if the girl isn't the type who likes those things, then just confront her and ask the question.

Confidence is a great quality in a person! Ask her after school, or before/after practice. Just remember even if her answer isn't what you were hoping for, don't get down on yourself, there will always be another girl out there who will say yes.

Sincerely,

The Husky

Dear Husky,

How do I tell my crush that I like him?

-Unknown

Dear Unknown,

There are so many ways to tell a person you like him, just be creative! Make him a cute letter or note; if he's into sports like football, for example, write something on the ball and give it to him. Those are some simple ways of telling someone you like them. Or if you want to be daring and confident just approach him in person

and ask him! Whether he feels the same or not, don't let that one person get you down.

So, if this crush doesn't work out the way you want it to, just wait, the next crush just might feel the same way in return!

Sincerely,

The Husky

Dear Husky,

What is the best song to serenade a woman?

-Professor Noodles

Dear Professor Noodles,

If I were to try and serenade a woman I would have to choose a really touching song with a deep meaning, but also some fun to it. The choices are abundant, but to me there are two specific songs I would choose. "Check Yes or No" by George Strait or "I'll be there for you" by Bon Jovi. These two songs ought to really help your case in wooing a woman, so that's all my advice, but if a different song feels right, go with it.

Sincerely,

The Husky
