Easter Candy Poll

By Stormie Slotman

Candy is a popular item, especially during holidays or birthdays. Many people receive candy on Valentine's Day, Easter, Halloween, and Christmas along with other holidays and parades. An Easter basket or candy filled plastic eggs and chocolate bunnies are popular during Easter time. With Easter being this month, I created a graph with the most common Easter can-

dies. I asked my fellow students to vote for their favorite candy on the graph. They were allowed to vote only once. These are the results of the survey. As you can see Peanut Butter filled egg and Cadbury Eggs are the overall favorite with the Marshmallow and Coconut Cream as the least favorite.

Can you guess who's feet are pictured below?

Husky Helper

By Ashley Berish

The Husky Helper for April is Mr. Collins. He is a likeable person and most of the students think he is a great teacher. Mr. Collins is also very helpful. He cares about his students and is always there for them when they need him. He always gives students second chances and wants the best for them. Students also say Mr. Collins is a very humorous person. Students say he always cracks jokes.

Mr. Collins is a positive role model to his students. He is a hard worker and encourages his students to be hard workers as well. He is very involved with his students and the community. He is the FFA

advisor and is dedicated to making the FFA chapter successful. Mr. Collins is an integral part of the school. Keep up the good work, Mr. Collins!

Husky Happenings

By Hollee Kaseberg

The highlights of April at SJSHS were prom, a town hall meeting and a presentation by Albert Einstein.

On April 5th, many high school students attended prom at the Grass Valley Pavilion. The event was catered by Paradise Rose Chuck wagon and photography was done by Jeremy Lanthron. Ben Holliday and Katie Poirer were crowned Prom King and Queen after voting by all of the students in attendance. Thank you Mrs. Hernandez, Ms. Jenson and the junior class for planning and decorating for this memorable night.

Senator Ron Wyden visited the school for a town hall meeting held in the gym. All of the student body, as well as a few community members, took part in the meeting and were given a ticket to ask his/her question to the senator if his/her ticket number was called. The students, who prepared for the meeting by creating questions in Mr. Pfeifer's classes, had many excellent questions to ask Senator Wyden.

On April 21st, students gathered in the gym for a presentation about Albert Einstein. After the presentation there was Q & A with the actor about Einstein's life. It was an interesting and edu-

cational presentation.

The annual Fine Arts Festival will be held in the SJSHS cafeteria on May 15th 2014. Everyone is welcome to come and watch the band play, eat food prepared by the Spanish classes and see the fine arts the students have created over the course of the school year.

April 3: The Sherman girls played Condon at home. Hollee and Elvia claimed a win against Condon's doubles team while Karolyn added a win in her singles match.

April 8: The team traveled to Stanfield. Brett won a singles match against Stanfield's only boy. Hollee and Elvia were successful in both of their doubles matches of the day. Katherine also played, and won, two matches at Stanfield.

April 12: In Stevenson, Meghan won her first match to be put into finals for singles. Hollee and Elvia won the doubles tournament.

April 15: All of the girls singles players; Karolyn, Meghan, and Katherine won their matches against Umatilla. The boys and doubles teams faced tougher competition and did not pull through with a victory.

April 18: Brett, Nick and Garak all lost their singles matches, but were victorious in their doubles matches. Hollee and Elvia won their doubles match. Katherine, Karolyn and Meghan won their singles matches.

April 19: The girls traveled to Madras to participate in the Madras Invitational Tournament. Karolyn and Meghan played in the singles tournament while Hollee and Elvia and Katherine and Adalynne played in the doubles matches. Each girl played 7 matches throughout the day contributing to the total team score.

Dear Ed

Dear Ed,

How do I submit an article to the Husky Times?

-Journalist

Dear Journalist,

One way you can get something published in the newspaper is write an article and put it in Ed's mail box. We will edit it and most likely put it in the newspaper. Or you could come find one of the Journalism students about wanting to write for the newsletter! Thank you for wanting to add to it. It is greatly appreciated for articles; we are always in need of something new and exciting to put in The Husky Times.

~Ed

Dear Ed,

What are some of the things I can do to make colleges notice me more than other students my age?

Sincerely, College Bound

Dear College Bound,

Study hard, don't get in trouble, and participate in extracurricular activities. Colleges like students that are well rounded and will make a positive impact on their school and community.

Sincerely, Ed

Dear Ed,

I sometimes get shin splints and ankle pains after sports practice.

What should I do to get rid of them or at least ease the pain?

~Anonymous Athlete

Dear Anonymous Athlete,

Shin splints are painful but luckily there are many exercises you can find online to help prevent them. To ease the pain you can take a small paper cup, fill it half full and freeze it. After practice tear the top of the cup so that you can rub the ice cube on your shins. If pain gets worse or continues talk to a medical professional.
